

Glentress Trail Races February 2017 Feedback.....

"Thank you for a fabulous day. Was brutal in parts but we laughed and got on with it. Thank you to all involved for a great event x 🏃" Sharon Irving

"Thanks so much too all marshals, organisers and supporters - brilliant job!" Ronan Beale

"I'm the 1/2 marathon runner who took too close a look at the route yesterday. Trashed running tights, bloodied knee and badly strained hamstring as well as frustration and dented pride remain but made to feel so much better by the care of the marshalls and medics as well as all the kind offers of help from the runners who saw me. Thank you all" Kim Wardner

"1st timer's perspective all the way up - what the beep beep is going on, when will the hills stop appearing in front of me, omg going to have to walk again, never again, never EVER again.... On the way down - weeeeeeeeeeeeeee wonder if there is an early bird entry for 2018 🏃🏃🏃" Lesley Walker

"Thank you to everyone involved, from organisers to Marshall, for a brilliant event and for being so cheerful. Loved it all! It was a fabulous route and event, and huge thanks to everyone who made it possible" Margaret King

"I would like to thank each and every person involved with making these races possible yesterday. I ran the half as my first 'proper' trail race, & felt totally out of place... until we got going. So much support out on the course from fellow runners, it was awesome. And those poor marshals - thank you so SO much!! 🏃🏃 Will definitely do another one, even though it has got to be hands-down the hardest, most brutal race I have ever done" Debbie Jackson

"Want to say a big thank you to all of the volunteers and people behind the scenes that helped put on a tough buy beautiful trail. The terrain was awesome. I also want to say a big thanks to the guy that saw me struggling with cramp around the 11th mile. He came over and offered me a flask of his sweet tea. That really helped me across the line. I'd come back just because of that moment" Jason Bateman

"Today's Glentress Marathon was definitely the most brutal race ever but I would like to say a huge thank you for a very well signposted route and to all the marshals and photographer for hanging about for me to come in. It really is appreciated as the last marathon runner to feel like i am as important as the first one finished. 🏃" Caroline Ness

"Thanks for organising such a great event, my first trail event and I'm hooked! All of the support crew were super cheerful throughout 👍" Victoria Beckett
